# The Sets

## Policy-CX Set

**The Policy-CX Set provides hundreds of pages of evidence for this year's topic.** You get the Affirmative, Negative, September Supplement, October-March plus May Updates and all of the West Coast backfiles relevant to **THIS YEAR'S** topic. PLUS, you get the 5 West Coast Theory handbooks. You can download the Microsoft Word documents and print or use paperless! Plus, you get arguments to respond to theory and kritikal arguments that many coaches and debaters confront in contemporary debate. With the THOUSANDS OF PIECES OF evidence provided by the Policy Evidence Set, and you have an amazing evidence resource!

## LD Set

**The LD Set provides 2 files of tagged and highlighted evidence on the debated NSDA and UIL LD Topics with topic analyses and evidence.** These Microsoft Word documents are easy to access on our web page and very useful. **Plus, you get PhilosopherViews with access to detailed information about philosophers,** traditional and contemporary, including overviews of their thoughts, arguments you can use from their works, and bibliographies with citations to the most relevant and helpful materials. **You also get files on over 190 different LD topics** covered including Oppressive government, due process versus truth, death penalty, spirit versus the letter of the law, truth seeking versus privilege, victimless crime, gender equity, nation building, due process versus homeland security, and capitalism versus socialism.

## PublicForum Set

**This is a fantastic resource for your Public Forum Debaters. West Coast Public Forum files** provide a topic overview, pro evidence and con evidence. You get access to dozens of files on a wide variety of topic and within 10 days of the NSDA topic announcement—you get a great Public Forum File with case contentions and rebuttals—perfect for modeling good argumentation and for preparing to debate the quickly changing Public Forum topics. **Then, NEW for 2022-2023, you get a second file later that month!** They are a great way to get started on the Public Forum debate topics.

## BDB Debate & IE Textbook Set

- Policy-CX Debate**
- LD Debate**
- Public Forum Debate**
- Parli Debate**
- Individual Events**
- Dictionary of Forensics**

**This textbook set is an amazing education resource. For Policy debaters,** your students learn about plans, advantages, disadvantages, counterplans, kritiks, topicality and move them on to the most advanced strategies and arguments that exist in debate today. **LD debaters** will learn values, criteria, contentions, as well as advanced strategies using philosophical perspectives, framework arguments and kritiks. **Public Forum debaters** will learn case construction, crossfire, rebuttal, and summary skills. **Parliamentary debaters** learn how to construct cases and arguments during preparation time, how to

make and respond to points of information and points of order, refute, and engage in rebuttals. **You get fantastic teacher materials** for each form of debate with handouts, lesson plans, example syllabus, and more. **You also receive The Prepbooks** which give each of your students actual articles and evidence to prepare cases and arguments on topics they debate. **THE TEXTBOOKS AND PREPBOOKS ARE AVAILABLE ONLINE FOR YOU AND YOUR STUDENTS TO VIEW AND YOU CAN PRINT AS MANY AS YOU WISH—FOR YOUR ENTIRE CLASS AND TEAM!** You get training for Policy-CX debate, Lincoln-Douglas debate, Public Forum Debate, Parli Debate, and Individual Events. Students learn at their own pace, you can augment your class time with Breaking Down Barriers, and it is even better for after-school programs.

# BDB Debate and IE Textbook Set

## Huge Cost Savings versus regular textbooks

- You and all of your students will be able to access, view and print the Textbooks as Adobe Acrobat files on a web page.
- You and all of your students will be able to access the Prepbooks as Word documents. You and your students can view, download, edit, and print the Prepbooks.

## DEBATE TEXTBOOKS

- **BDB: Policy CX Debate**      **BDB: LD Debate**
- **BDB: Public Forum Debate**      **BDB: Parli Debate**

Written by Jim Hanson, in total, over 600 pages of material

**Offering instruction in all four of the primary types of high school debate, these textbooks are the cutting edge.** Featuring new examples, illustrations, photos and layout, these books keep student interest. They feature even clearer step by step instruction and new advanced chapters. **For Policy debaters**, your students learn about plans, advantages, disadvantages, counterplans, kritiks, topicality and move them onto the most advanced

strategies and arguments that exist in debate today. **LD debaters** will learn values, criteria, contentions, as well as advanced strategies using philosophical perspectives, framework arguments and kritiks. **Public Forum debaters** will learn case construction, crossfire, rebuttal, and summary skills. **Parliamentary debaters** learn how to construct cases and arguments during preparation time, how to make and respond to points of information and points of order, refute, and engage in rebuttals. **THE TEACHER MATERIALS** provide amazing lesson plans and handouts. You get a course syllabus, daily schedule, tips on judging, critique sheets, activities, games, and more. The Teacher Materials give you the handouts and knowledge you need to make your class a success. **These books are a must have for any teacher of a class or after school Policy, LD, Public Forum, or Parli debate program!**

## BDB PREPBOOKS

- **Policy-CX Prepbook**      **LD Prepbook**      **IE Prepbook**
- **Public Forum Prepbook**      **Parli Prepbook**

Over 250 pages of materials *Jim Hanson*

**The Prepbooks make teaching easier and directly prepare your novice**

**students to debate at their first tournament! FOR POLICY:** You get amazing tips on the topic, topic analysis, affirmative case ideas, negative strategies, search terms to use when you go to the library, and more. You also get over 100 pieces of real evidence on THIS YEAR'S POLICY TOPIC that your students will use to write an affirmative case and answers to that case, practice refutation and rebuilding argument skills, and to prepare arguments for and against disadvantages, counterplans, and kritiks for that case, plus definitions for making topicality arguments. You also get answers and tips for the Prepbook. **FOR LD:** You get great step by step exercises for preparing cases, values, criteria, etc. Use the evidence to setup practice refutation, rebuttal and full practice debates. **FOR PUBLIC FORUM:** You get great materials to prepare your public forum case and to learn how to prepare each month when the topic is announced. Students prepare for refutation and rebuilding of arguments. **FOR PARLI:** You get case outlines and arguments for use during preparation time. You get topics to use for debates. You get practice prompts for use in activities for preparing for different parts of debating. **Use Prepbook handouts** for class lectures—e.g. "how to prepare an affirmative" and "how to respond to topicality arguments." This will be your most valued debate teaching resource. **YES—STUDENTS CAN DO THEIR WORK ELECTRONICALLY or REGULAR PRINT AND TURN IT IN TO YOU. YOU CAN MODIFY THE PREPBOOKS FOR YOUR OWN ACTIVITIES/EXERCISES.**

## BDB: IE-PUBLIC SPEAKING TEXTBOOK SET

117 pages, 12 Chapters *Jim Hanson with Diana Thompson, Nicholas Thomas, and Katie Imbeau*

**This is a great way to teach individual events.** Rather than tired generic descriptions of public speaking, this book provides the critical tools to choose a winning topic, to prepare great extemp files, to cut interp pieces the right way, and so much more to help students succeed. Chock full of examples, tips, stories, pictures and details on all of the key individual events, you and your students will benefit greatly from a book that finally teaches individual events as they are practiced rather than from stuffy principles that someone else thinks are important. The book covers extemp, impromptu, persuasion/oratory, informative/expos, after dinner speaking, editorial commentary, and interpretation (duo, poetry, prose, serious and humorous dramatic, and thematic combinations such as programmed oral interpretation).

**You also receive the Dictionary of Forensics!**

# The Policy-CX Set includes

## Affirmative Evidence

**500+ pages of tagged and highlighted evidence, Complete Affirmative Cases with Responses to Disadvantages, Counterplans, and Kritiks**

**The Affirmative evidence will give** your students a head start on **THIS YEAR'S TOPIC**. The handbook includes a strong set of case arguments that **ALL** affirmatives can use plus **FIVE specific, developed Affirmatives THAT INCLUDE RESPONSES TO ALL KEY ARGUMENTS**. Our **NATIONALLY COMPETITIVE, EXPERT RESEARCHERS** provide outstanding materials and we **HAVE VIGOROUS HIGH STANDARDS FOR OUR EVIDENCE**. We provide topic analysis with great ideas for affirmative cases and arguments.

## Negative Evidence

**500+ pages of tagged and highlighted evidence, Case Responses, Disadvantages, Counterplans, Topicality arguments and Kritiks with full extension evidence, Definitions**

**The Negative evidence** includes responses to key affirmative case arguments on **THIS YEAR'S TOPIC**. There are responses to the West Coast affirmatives and to key affirmative arguments, plus disadvantages, kritiks, counterplans, and topicality arguments. We **FOCUS ON NEGATIVE STRATEGIES** so our **NATIONALLY COMPETITIVE EXPERT RESEARCHERS** will work to provide a set of arguments you can use to run against the best affirmative cases. We offer argument and strategy tips for the negative plus definitions with topicality shells.

## September Evidence

**500+ pages of tagged and highlighted evidence! FOCUS ON WINNING AFFIRMATIVE AND NEGATIVE STRATEGIES with evidenced disads, counterplans, and case extensions. POSTED BY SEPTEMBER 10.**

**The September Supplement keeps** your students up-to-date because we prepare against the positions that teams are arguing at institutes! This will not be random evidence. We carefully edit the supplement to assure as best as possible you have the positions you need to win against the key arguments the top teams will be running! Researched by people deeply involved in the topic—a fantastic evidence resource!

## October to May Evidence Updates

**Seven updates each with 100+ pages of tagged and highlighted evidence (Oct through March plus May), posted to our web page for you to download by the 12<sup>th</sup> of each month.**

**The Oct-May Policy Updates are** the best way to keep up with the latest scenarios, cases, disadvantages, and more. We rely on the latest information we hear from the circuit **AND FROM YOUR RESEARCH REQUESTS** TO provide quality, up-to-date evidence each month. These updates are very useful for beating late breaking cases and arguments.

## Theory Blocs and Backfiles

The Policy Set features all of West Coast's relevant files from our previous evidence, and all of our theory blocs. You can download the Microsoft Word documents and you are ready to debate! You are going to get materials on Levinas, Identity politics, activism, irony, and much more to prepare students to respond to the latest unusual strategies. You'll have arguments about "A-spec," "reverse voter," intrinsic permutations, dispositionality, and conditionality. Couple that with all of the great evidence on this year's topic—and you have an amazing evidence resource!

# The LD Set includes

The LD Set provides 2 files of tagged and highlighted evidence on the debated NSDA and UIL LD Topics with topic analyses and evidence plus definitions and topic analyses. These Microsoft Word documents on the LD Files web page are easy to find and very useful. Plus, you get Philosopher and Value Files with access to detailed information about philosophers, traditional and contemporary, including overviews of their thoughts, arguments you can use from their works, and bibliographies with citations to the most relevant and helpful materials plus dozens and dozens of arguments for and against common values. You also get LD Topic files for over 190 different LD topics covered including Oppressive government, due process versus truth, death penalty, spirit versus the letter of the law, truth seeking versus privilege, victimless crime, gender equity, nation building, due process versus homeland security, and capitalism versus socialism.

## NSDA LD Topic Files

The minute the NSDA announces the LD topic, you have ready access to a topic analysis, definitions, affirmative and negative case, and supporting arguments. That's because we prepare all ten NSDA LD topics ahead of time. Within three days, you get a supplement file. And, by the 12<sup>th</sup> day after the topic announcement, you receive an excellent additional topic specific file. We provide 2 files of tagged and highlighted evidence on each and every NSDA topic. This is a great way to be prepared.

## Texas UIL LD Topic Files

Within 12 days, you have a topic specific file and then you get a second one some 2 weeks after that. The full, topic specific file has an analysis of the featured topic with tips on strategies, definitions of the terms in the topic, and potential affirmative and negative cases, values and philosophies you can prepare. Plus, there is an affirmative and negative case. 80+ pages of tagged and highlighted evidence.

## Philosopher and Value Files

999 pages of all of our very popular Philosopher series in one easy to search document. Use the material for understanding key philosophers and for integrating into your cases and analysis of the current topic. PhilosopherViews includes discussions, evidence, and suggested readings on the traditional as well as the most innovative names in philosophy including Noam Chomsky, Jonathan Glover, Mumia Abu-Jamal, Angela Davis, Vandana Shiva, and Gustavo Esteva plus Immanuel Kant, Alexandra Kollontai, Molefi Asante, Simone De Bouvoir, French feminist and existentialist, Aristotle, Kenneth Burke, Judith Butler, Jacques Derrida, Martin Luther King Jr., Arne Naess, Henry David Thoreau, Malcolm X, Robert Nozick, Rousseau, James Baldwin, Betty Friedan Escobar, James Madison, Alexander Hamilton, the Anti-Federalists, Ralph Waldo Emerson, John Dewey, Woodrow Wilson, Franklin Roosevelt, Tom Hayden, Howard Zinn, Joseph Nye, Ralph Nader, Lani Guinier, Theda Skocpol, bell hooks, Peter Singer, Havel, Levinas, Aristippus, Epicurus, Spinoza, Hildreth, Sidgwick, Prichard, Russell, Caso, Adler, Skinner, Ayer, Goodman, Baier, Illich, Williams Lifton, Nietzsche, Edward Said, Jean-
